DISCLAIMER   I AGREE

I hereby confirm that all the information in this application is correct and complete to the best of my knowledge. In case I knowingly gave false statements my application will be excluded

As far as my own personal data is concerned I agree that the Stifterverband and the team of the Open Data Impact Award including the jury members can use my personal data for the application and award process and everything related to the award ceremony. I can revoke my consent at any time.

In case I provided personal information about third parties involved I hereby confirm that I lawfully obtained the information and that I am entitled to passing on the information to the Stifterverband for this application. I hereby confirm to abide by the data protection policy information DGSVOIch bestätige, dass mir sämtliche erforderliche Einwilligungen der Projektbeteiligten (u.a. auch

I agree that the Stifterverband can use and publish the pictures and documentation emerging from the award ceremony of the Open Data Impact Award in all forms (online, print etc.)

COVER LETTER

The cover letter is the second part of your application. Please write it separately and upload it (as pdf) alongside this application form on the Open Data Impact Award website.

What should go into the cover letter?
Please answer the following questions in your maximum two-page proposal (4000 characters)

- What type of research data are you submitting?

- Who was involved in collecting and processing the data?

- How was the data made accessible? How were the FAIR-criteria implemented? (https://www.go-fair.org/fair-principles/)?

- How has publishing your research data led to an innovation outside the academic world?

- What does society gain from the secondary use of your research data?

- What project in the field of open data should the prize money initiate at your institution?

Application deadline is July 10, 2022
